

Criptomonedas
la interrogante sobre cuándo
cruzamos el punto de inflexión

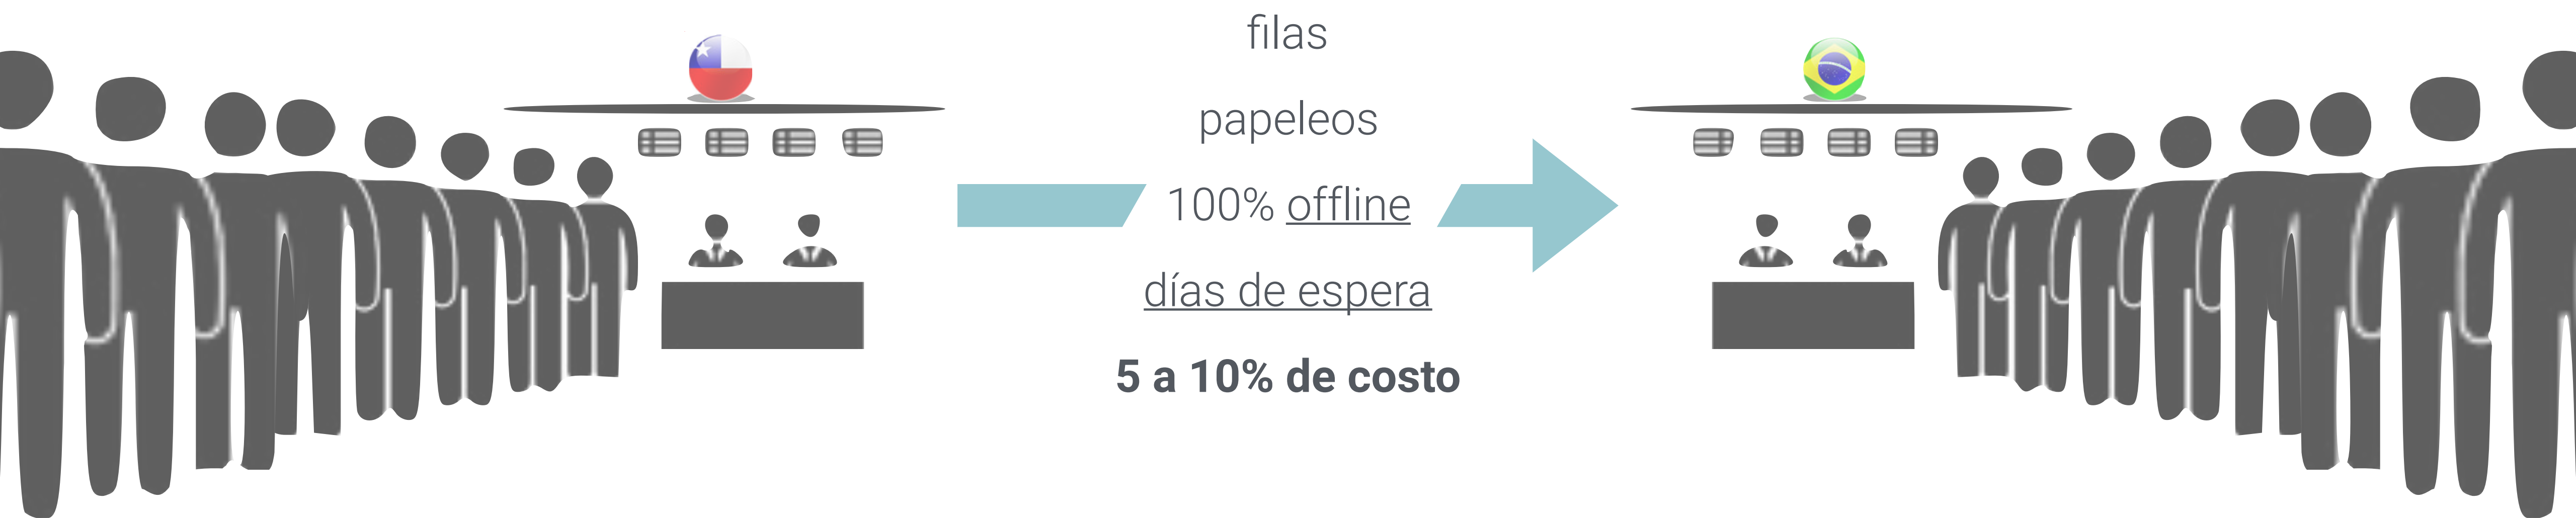

260

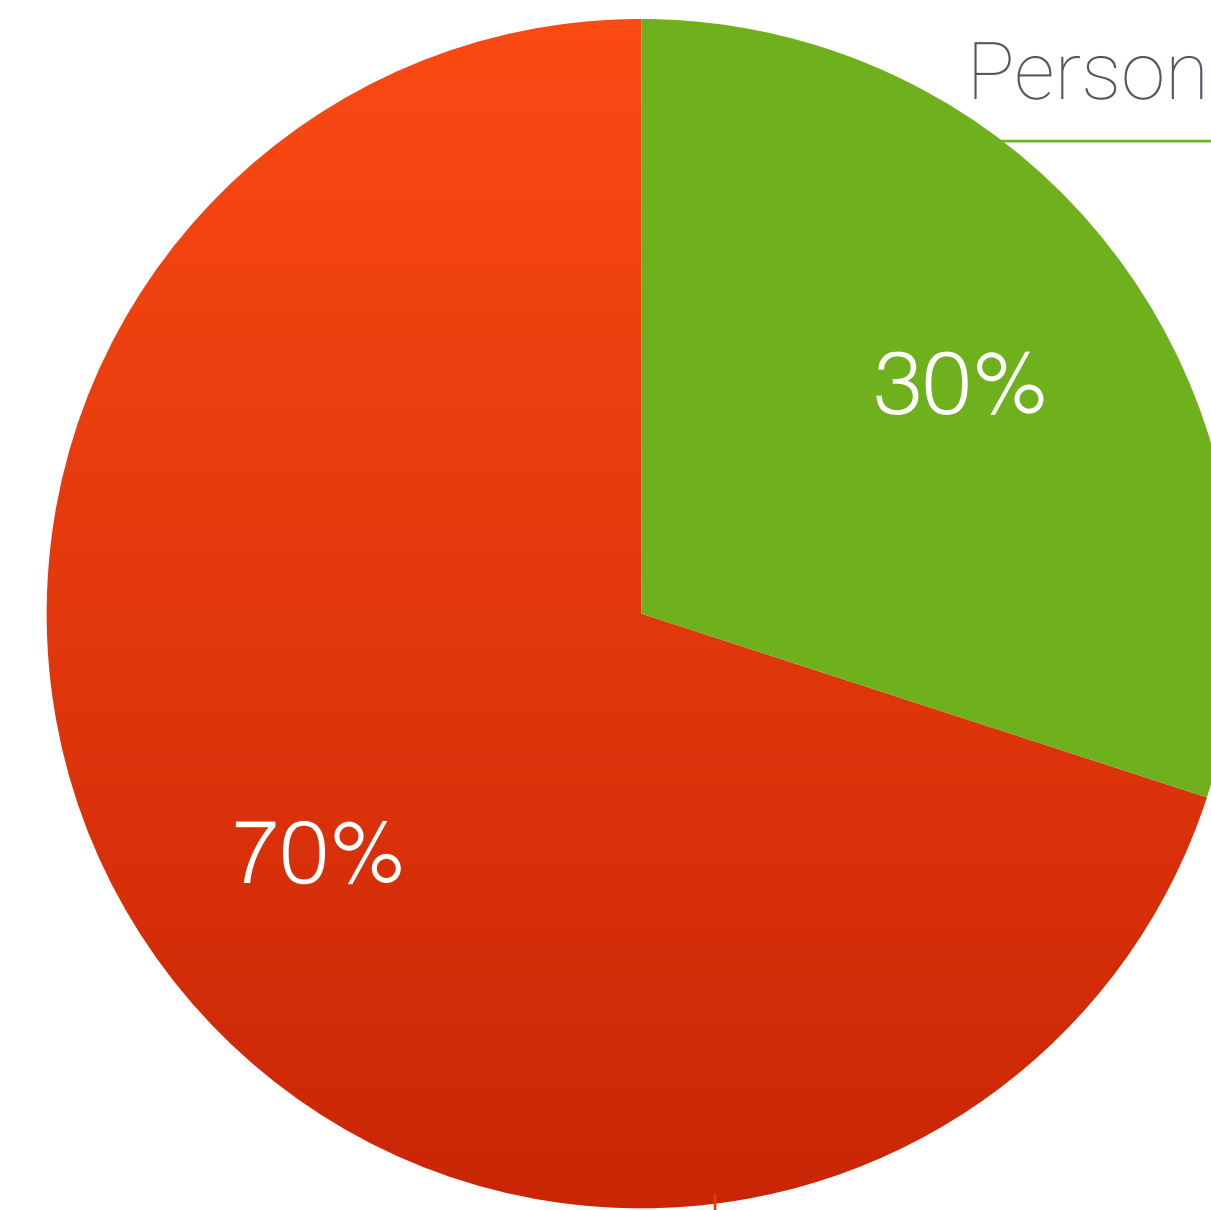

millones de Sudamericanos
siguen dependiendo del efectivo

Enviar dinero al extranjero es equivalente a enviar una carta física

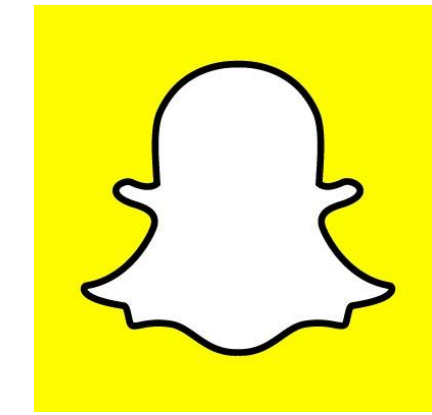

La única manera de comprar por internet es con tarjeta de crédito

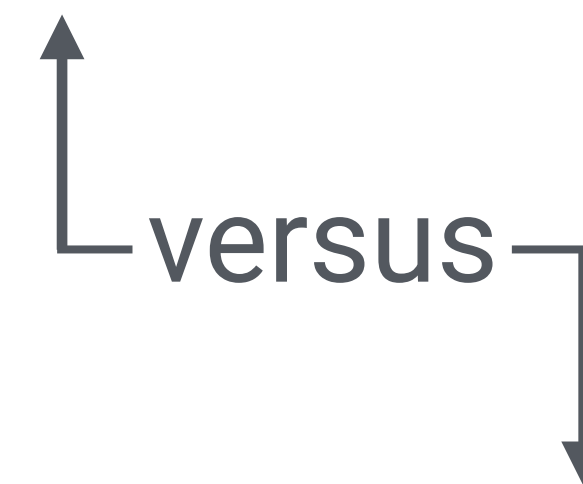

Personas sujetas a crédito

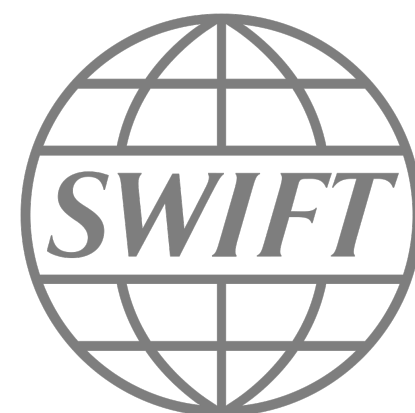

Personas sin acceso a tarjetas de crédito

libre y perfecto flujo de información

sistemas ~~pre históricos~~ internet para intercambiar valor

A close-up photograph of a person's hand holding a clear glass jar. The jar is filled with various coins, including US pennies and quarters. A small, rectangular white card is placed over the top of the jar. The card has the word 'PLEASE' written in red, uppercase letters, and the word 'GIVE' written in large, bold, black, uppercase letters below it. Two red horizontal lines are drawn under the word 'GIVE'. The background is dark and out of focus.

PLEASE
GIVE

Estimated USD Transaction Value

The Estimated Transaction Value in USD value.

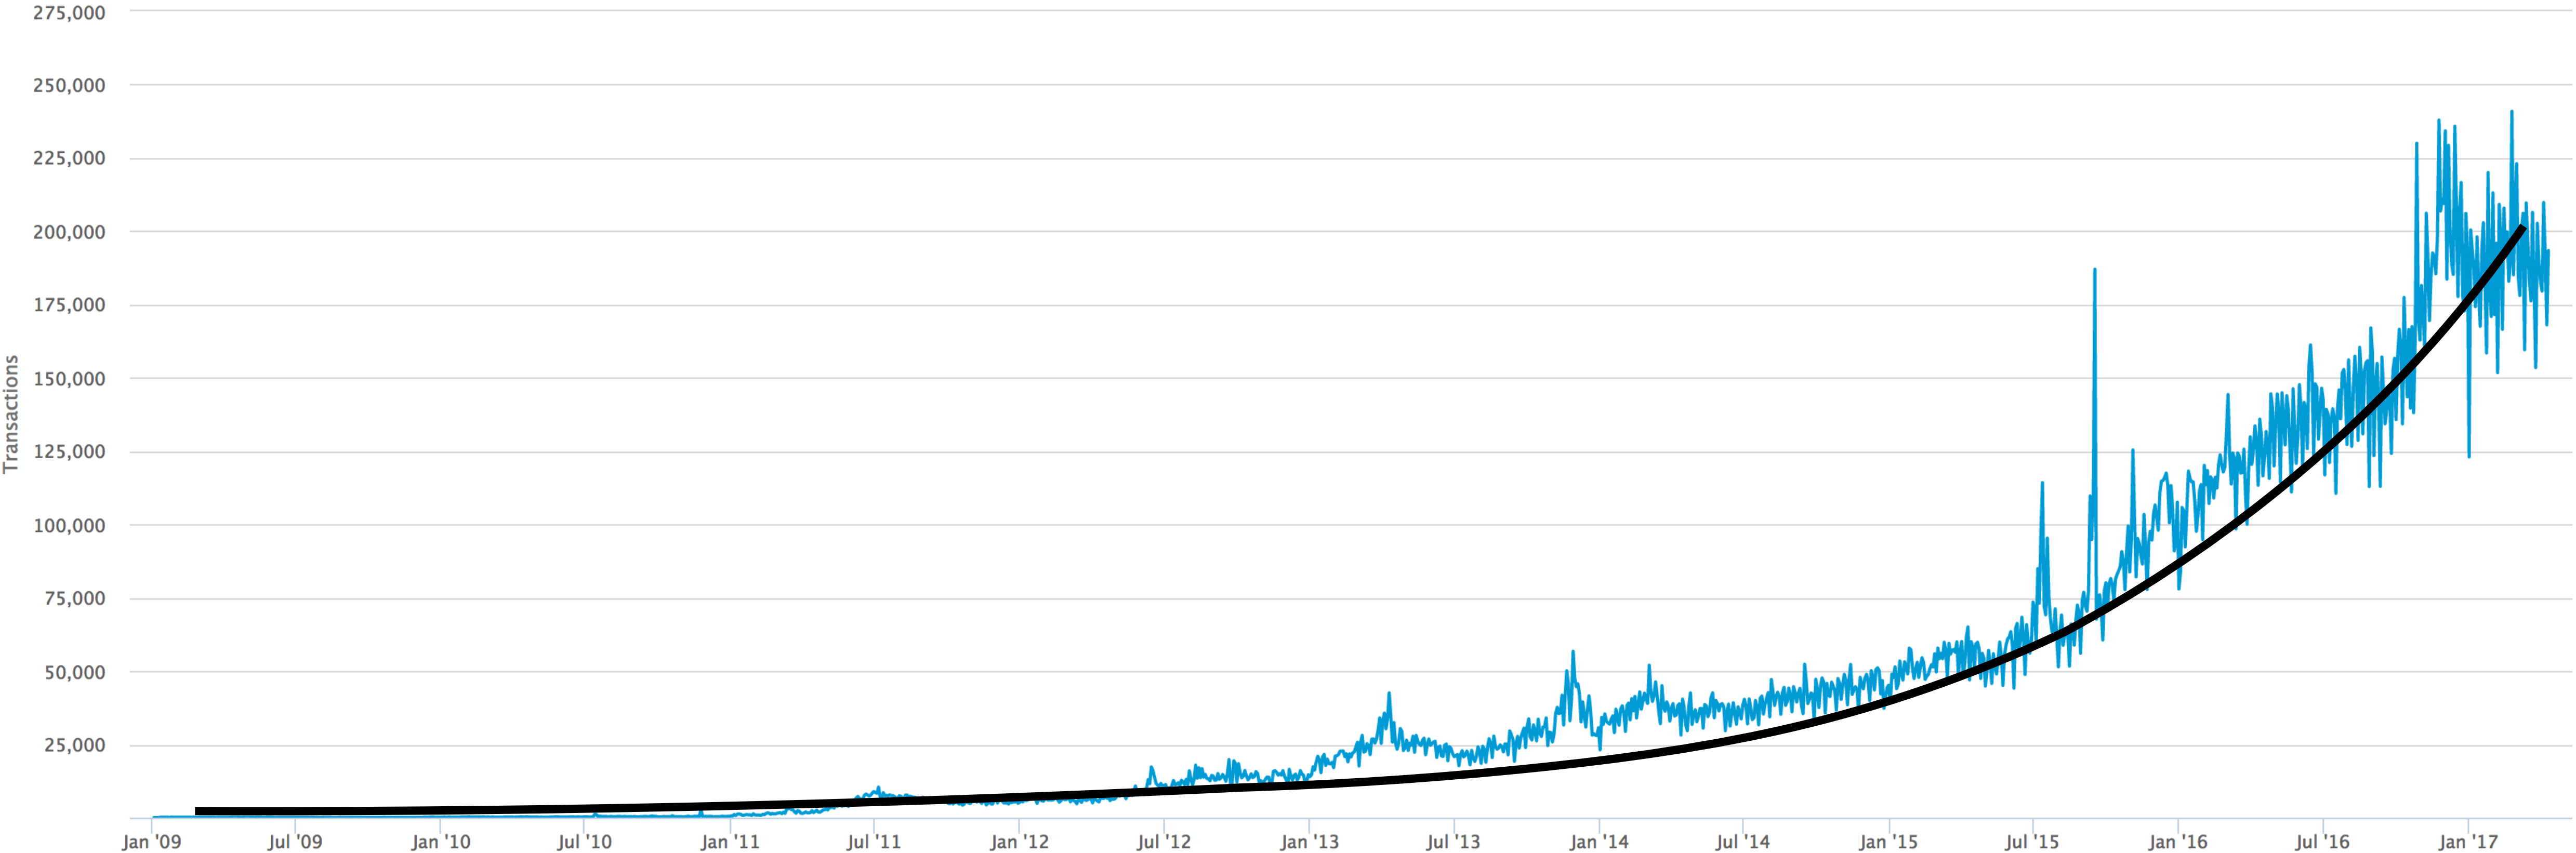

Source: blockchain.info

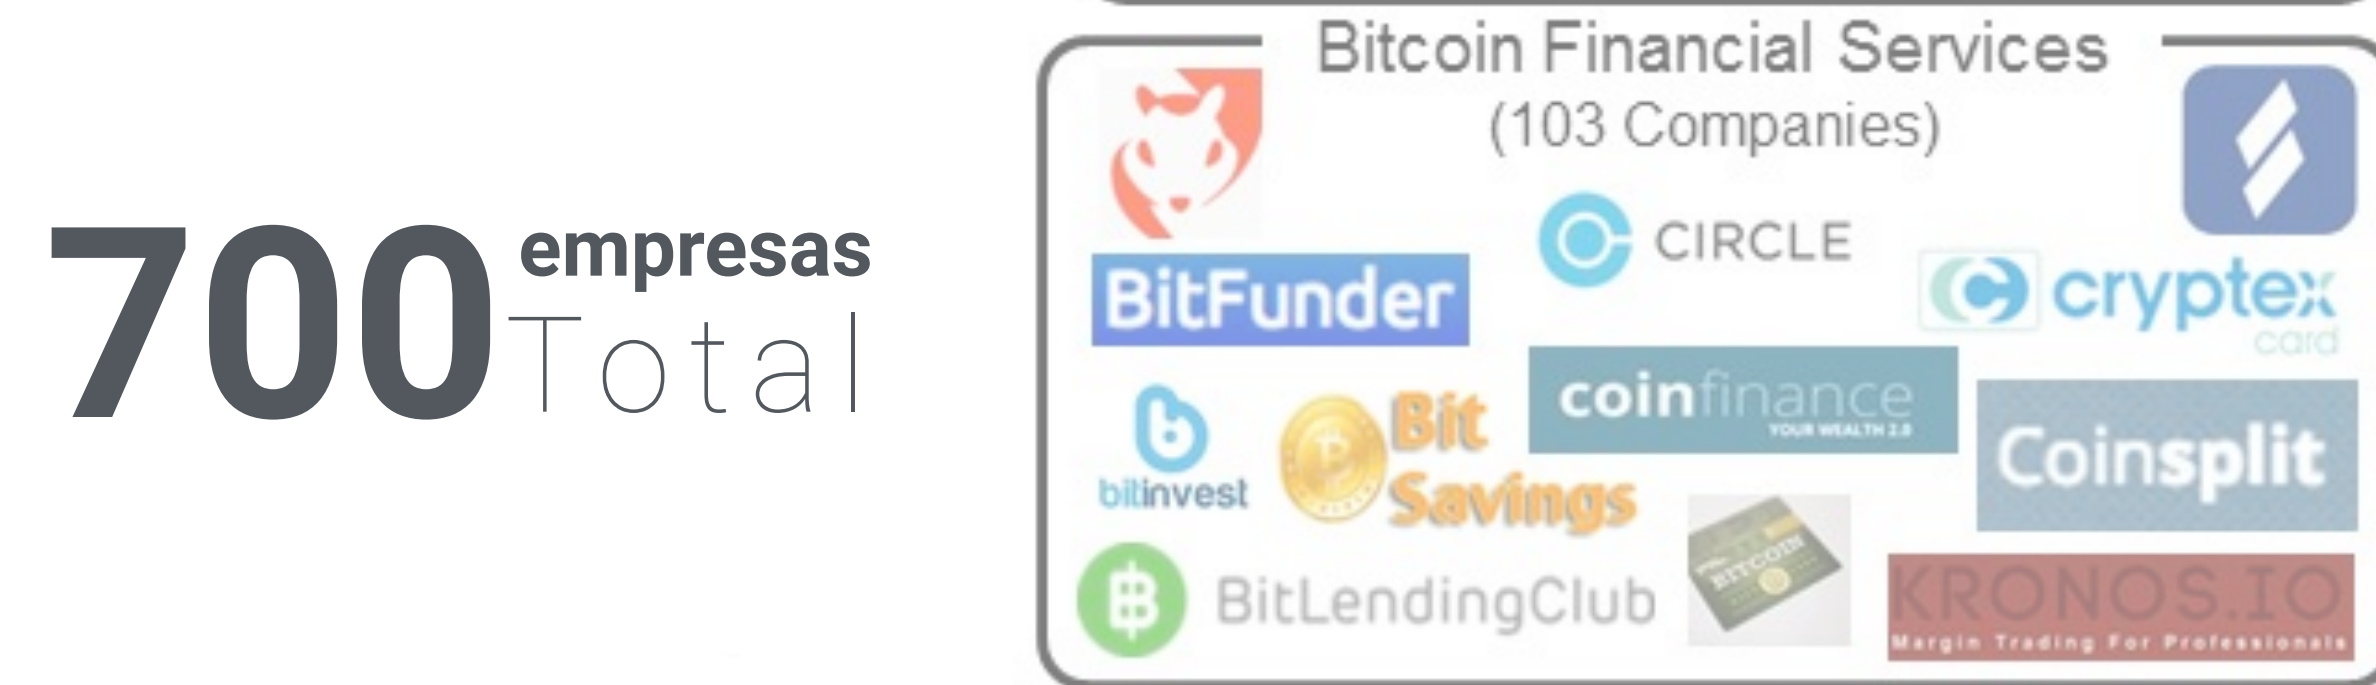

Number Of Transactions

The total number of Bitcoin transactions per day excluding those part of long transaction chains. There are many legitimate reasons to create long transaction chains; however, they may also be caused by coin mixing or possible attempts to manipulate transaction volume.
